Weinlos, Edmonton, AB

Back on the market after failing on financing! This condo is in a prime location. The complex is right beside Gurdwara Mill Woods, with shopping and other amenities close at hand. The condo itself is a corner unit just under 1000 square feet with two large bedrooms (one with a walk in closet) and a 4 piece bathroom. The kitchen offers plenty of cupboards and counters, and a full-size freezer as well as refrigerator, built in dishwasher, microwave and stove. The dining room is separate and leads to the living room. Patio doors open to a nice balcony. Included in the sale are a portable air conditioner, a bed in the second bedroom, theatre style luxury seats, and artistically hung LED lighting throughout the unit. Also included are a washer and dryer – no need to haul your laundry through the halls to the laundry room! Even the parking stall is spacious, a tandem spade with room for two vehicles.
