This fully finished raised bungalow has room for everyoneâ€”featuring 4 bedrooms, 3 full baths, and two garages (an attached single and a heated 26x28 detached!). The open-concept main floor feels bright and inviting with large windows, laminate flooring, and a cozy double-sided gas fireplace. The kitchen offers plenty of oak cabinets, quartz counters, and tons of storage with two pantries. A garden door off the dining area leads to the sunny south-facing deckâ€”perfect for relaxing under the awning. The spacious primary suite fits a king bed and more, with French doors to the backyard, a walk-in closet, and a 5-piece ensuite with a jet tub and dual sinks. A main floor den with a bay window makes a great home office or flex space. Downstairs, enjoy a large family room, two generous bedrooms, a 4-piece bath with double vanity, and loads of storage. Outside, the pie-shaped, low-maintenance yard is beautifully landscaped with perennials, fruit trees, and plenty of room for RV parking.
